## GENERAL NEWS.

(BY TELEGRAPH TO THE OREGONIAN.)

### FROM COMMENTS ON THE ELECTION.

**The N. Y. "Tribune."**

NEW YORK, Nov. 6.—The *Tribune* urges formerly Sherman, in view of yesterday's popular expression favoring resumption, to announce specifically his policy on that issue, indicating what steps he proposes to take to equalize gold and paper in the market value, and also whether he proposes resumption in silver only. It suggests the withdrawal of small notes in favor of silver and the payment of gold freely in advance of the day fixed for resumption.

**The "Times"**

Says the result of the election brings the state of New York fairly into the Republican line and gives a brilliant prospect for the presidential canvass. They make it certain that the influences of the empire state will be cast steadily and firmly for the maintenance of the national credit, and for the perfection and enforcement of the policy of resumption. The same paper asserts that the most striking feature of the New England elections is the sudden collapse of the Greenback vote. In the manufacturing towns of Massachusetts, where the Greenbackers anticipated their greatest victories, their disappointment was most glaring. In Worcester, the scene of Butler's great strategic victory, he polled only 2,75 votes to Talbot's 4,372. In Fitchburg, another stronghold, Talbot has 1,212 to Butler's 627. Lowell, the home of the champion of fiat money, gives him the small majority of 463. There is every indication that the cause which produced such astonishing and unexpected results in Maine in September, has nearly passed away in New England.

**The "Herald."**

Has supported Tammany, ascribes its defeat to Kelly's exercise of dictatorship in the city, though recognizing his integrity and ability, but his weakness was in nominating Hall for mayor instead of some man strong enough to become Kelly's possible future foe. The political combination which has run its course through which the voters have given Kelly his defeat, could not appeal for support on the ground of simple devotion to party interests. Had Kelly permitted the nomination of an able and independent man for mayor, such a man would have easily led the combination which was distasteful to many good citizens, because it was well understood to have in view the state and not politics rather than the welfare of the city. Had he even allowed himself to be nominated, he could, we think, have been elected. But it is now seen that a political union even less deserving of public confidence than this combination would have sufficed to defeat Kelly, for it was that defeat with the voters of the city had decreed. New York will not have a dictator. That is its yesterday's vote declares. The *Herald* says the result makes Tilden the next Democratic candidate for governor, and suggests Kelling as his Republican competitor. But the most probable nominee now is Theodore Dimmery of Cayuga county.

### WASHINGTON CITY.

**An Important Decision.**

WASHINGTON, Nov. 4.—The supreme court decided the case of Washington Ford, plaintiff in error, against James Surget, judgment defendant. The question is whether the owner of lands burned by Surget under orders from southern military authorities, can recover from Surget its value. The jury gave verdict for defendant. The supreme court of Mississippi affirmed the judgment of the U. S. supreme court, and holds that the destruction of cotton to prevent it falling into federal hands was an act of war, and the executive and such orders was relieved from civil responsibility therefor.

**Another Ohio Man.**

A. Kellar, of Ohio, was to-day appointed agent of the Crow Indians of Montana.

**The Cabinet on the Silver Dollar.**

WASHINGTON, Nov. 5.—At a cabinet meeting it was unanimously agreed that the president's message should contain some recommendation for the enactment by legislation, either to increase the weight of the standard silver dollar or to diminish its coinage or further depreciation of its value. The subject will be again considered at a future meeting.

**The Smuggling Suits.**

WASHINGTON, Nov. 6.—In the kid glove case, the secretary of the treasury decided upon the report of Assistant Secretary French, to sustain the action of the collector at New York and affirmed, leaving to importers any remedy they may have in the courts. In the case of steamers *Denmark* and *England*, seized for smuggling at New York the secretary of the treasury has remitted all fines, penalties and forfeitures upon the payment by the owners of $10,000 and costs.

**Silver Bullion Bought.**

Under the sale of silver were opened today at the treasury department and over 3,000,000 ounces were purchased at prices slightly below the London rate.

### CENTRAL AMERICA.

**Earthquake in Salvador.**

PANAMA, Oct. 25.—The *Star and Herald* publishes a long account of the earthquake in Salvador on the eve of October 5th. In some towns every house was destroyed, many families buried in the ruins. At San Miguel 400 bodies were recovered.

## EUROPEAN NEWS.

**Pirates at Nova Zembla.**

LONDON, Nov. 6.—A Norwegian whaler which arrived from the Arctic ocean reports that off Nova Zembla she was boarded by two piratical whalers and robbed of everything portable.

**Fire at Vienna—The Hungarian Ministry.**

A fire for nearly a hundred miles around Vienna has been destroyed by a snow storm.

The Hungarian diet rejected a motion for impeachment of the ministry by 370 to 95.

VIENNA, Nov. 4.—The lower house of the reichsrath by a vote of 169 to 76, adopted an address in reply to the speech from the throne. After debate, Baron Von Fretz Cognodo denounced the occupation of Bosnia, which was followed by all powers, including Turkey, was to prevent the development of forces in the Balkan peninsula, which would sooner or later conflict with the interests of Austria.

**Preparing for War.**

A dispatch from Calcutta points to an order just issued for the transportation from the Madras and Bombay presidencies a few division for the frontier as a precautionary measure, the government expects an unfavorable reply to its ultimatum.

**Moncasi's Trial.**

MADRID, Nov. 5.—The counsel of Moncasi, who attempted to assassinate King Alfonso, requested further time to prepare for defense, but the court refused to delay. The counsel will appeal to a higher court.

**French Affairs.**

PARIS, Nov. 5.—Official information from departments in which elections were held on the 27th of October, confirm previous reports of the election of Republican deputies, by increased majorities. These deputies, together with senatorial electors, are to meet on the 9th inst. in the chief town of each department for the purpose of nominating three senators. On the 14th inst. carry 46 of 75 senatorships to be filled, a gain of 23.

**Terrible Storm in Austria.**

VIENNA, Nov. 5.—The snow storm at Vienna on the 3d inst. was very heavy. All railways and telegraphs in that section are interrupted. Many telegraph poles are prostrated. The streets in the city were greatly injured. Snow lies several feet deep. The storm extended throughout Austria.

**Will He Accept?**

A Berlin correspondent says: English and German statesmen are said to be working to induce the Sultan to recognize the annexation of Cyprus and accept the Guelph remedy.

**A German Free Trade League.**

A league has been formed for the foundation of a German league to combat the spread of protective principles.

## THE ELECTIONS.

**New York Congressmen.**

NEW YORK, Nov. 6.—The *Sun* gives the following list of congressmen surely and probably elected: In the 1st district, Covert, (Dem.); 2d, O'Reilly, (Ind. Dem.), 3d, Chittenden, (Rep.); 4th, Bliss, (Dem.); 5th, Muller, (Tammany Dem.); 6th, Cox, (Tammany Dem.); 7th Einstein, (anti-Tammany and Rep.); 8th, Cooke, (Rep.); 9th, Wood, (Tammany Dem.); 10th, O'Brien, (anti-Tammany, and Rep.); 11th, Morton, (Rep.); 12th, Smith, Rep., (since dead); 13th, Ketchum, (Rep.); 14th, Beebe, Dem.); 15th, Lowusburg, (Dem.); 16th, Barley, (Rep.); 17th, Wood, (Rep.); 18th, Hammond (Rep.); 19th, James, (Rep.); 20th, Starin (Rep.); 21st, Webber, (Rep.); 22d, Miller, (Rep.); 23d, Fresoott, (Rep.); 24th, Mason, (Rep.); 25th, Hiscock, (Rep.); 26th, Camp, (Rep.); 27th, Lapara, (Rep.); 28th, Dwight, (Rep.); 29th, Richardson, (Rep.)

**New York City.**

NEW YORK, Nov. 6.—For judge of the court of appeals Bradley (Dem.) received 87,570; Danford (Rep.), 51,766; Bradley's majority, 35,802. For city judge Cowing, Combination, has 17,439 majority. For coroner, Ellinger, Combination, has 22,604 majority. For district attorney, Phelps, Combination, 18,678 majority.

**Heavy Republican Gain in Philadelphia.**

PHILADELPHIA, Nov. 6.—In this city 26 wards out of 31 show a Republican majority of 15,066. In the first congressional district H. H. Bingham Rep.) is elected, and in the second district Charles O'Neill (Rep.) by 4,929 majority.

**New York—13th District.**

POUGHKEEPSIE, Nov. 6.—Ketcham, Republican, for congress, in the 13th district, has a majority of 3,400.

**The Result in Brooklyn.**

BROOKLYN Nov. 6.—The following congressmen are elected: Second district, O'Reilly, Independent Dem. and Republican; 3d district, S. B. Chittenden, Republican; 4th district, Archibald M. Bliss, Democrat. The Democrats elect controller and auditor.

**New Hampshire.**

CONCORD, Nov. 6.—Returns from 150 towns indicate the election of Head for governor by 1,000 majority. The house stands 89 Republicans, 60 Democrats and 6 Greenbackers. The Republicans claim that they have from 25 to 35 majority. Congressional districts have not been returned sufficiently full to give definite majorities, but it is probable that the Republicans have carried the three districts by strong pluralities, electing Hall in the first, Briggs in the second, and Farr in the third. The Republicans have doubtless carried fourteen senatorial districts and the Democrats eight, with two doubtful.

**New Jersey.**

TRENTON, Nov. 6.—The Republicans elect 5 of the 7 congressmen and a majority of the assembly. Robeson, Pugh, Voorhees and Blake, (Reps.) are certainly elected. Brigham, (Rep.) is probably elected. This is a Democratic loss of 2.

TRENTON, Nov. 6.—The legislature stands—senate, 11 Republicans, 10 Democrats; one of the latter independent; house, 36 Republicans, 24 Democrats. Smith, Democrat and Greenbacker, is elected to congress in the 2d district by 1,000 majority. Amos Clark (Rep.) is probably elected in the 3d district by 250 majority. These two districts have been heretofore classed as doubtful.

**Pennsylvania.**

PHILADELPHIA, Nov. 6.—The Democratic state committee concede the election of Hoyt, (Rep.) for governor by 10,000 majority. The Republican committee claim it by 25,000. In the 6th congressional district, Wm. Ward, (Rep.) is reelected by 5,000 majority.

**Delaware.**

WILMINGTON, Nov. 6.—John W. Hall (Dem.) has been elected governor. Edward Martin, (Dem.) is elected to congress. The Republicans ran no candidate for either of the above offices.

**Maryland.**

BALTIMORE Nov. 6.—Democratic majorities range on congress from 1,500 to 4,600, but in the 6th district Urner, (Rep.) is believed elected.

**Jorgensen Re-elected.**

PETERSBURG, Nov. 6.—Returns from the 4th district indicate the re-election of Jorgeneen, (Rep.) to congress.

**South Carolina.**

RALEIGH, Nov. 6.—Davis, (Dem.) carries the 4th district by 1,800 majority. The 2d district is close, chances favor Kitchen, (Dem.) In the 3d district, Waddell's, (Dem.) majority is estimated at 500. In the 5th, Scales, (Dem.) wins a majority of 2,000. In the 6th, 7th and 8th Democrats are certainly elected, no opposition.

**Bulldozed South Carolina.**

CHARLESTON, Nov. 6.—Returns from all portions of the state show heavy Democratic gains. Gov. Hampton and present state officers are re-elected without opposition. Aiken and Evans, Democrats, are re-elected to congress from the 5th and 4th districts with scarcely any opposition. Tilman, Dem., is claimed to have beaten Smalls, colored, Rep., by nearly 8,000 majority. In the 1st district indications are that Richardson, Dem., is elected over Rainey, colored, Rep., by a small majority. In the 2d or Charleston district, the vote has been very heavy and close, with chances so far favoring the election of O'Connor, Dem., over Mackey, white, Rep. In Charleston the Democratic majority is estimated at from 4,000 to 5,000, but Republican strongholds, the Sea Island precincts, cannot be heard from until to-morrow.

**Florida.**

JACKSONVILLE, Nov. 6.—Duval county, the largest in the district, gives a large majority for Bisbee (Rep.) for congress, but it is believed that Hull (Dem.) will be elected. In Madison county a sundown when the polls should have closed 400 people had not voted, and voting was still going on at last accounts.

JACKSONVILLE, Nov. 6.—Hull (Dem.) is certainly elected in this district. The legislature is Democratic in both branches.

**Alabama.**

MONTGOMERY, Nov. 6.—Indications are that all the Democratic nominees for congress are elected, except possibly in the 8th district, where the contest is very close between Garth (Dem.) and Low (Ind.)

**Louisiana.**

NEW ORLEANS, Nov. 5.—The election in this city and throughout the state, as far as known, passed off quietly. The majority of A. E. Burke for state treasurer, in New Orleans, is estimated at 18,000; his majority in the state, it is believed, will exceed 30,000. Returns as far as received indicate the election of congressmen as follows: 1st district, Gibson (Dem.); 2d, Ellis (Dem.); 3d, Acklin (Dem.); 4th, Elam (Dem.); 6th, Robertson (Dem.). The Democratic state central committee have reports that colored voters were supporting King and Young in the 5th district to such an extent as to indicate a strong probability of the re election. The colored people appeared to have voted in large numbers for Burke and Dean, congressmen, and some enthusiastic Democrats to night estimate Burke's majority in the state as high as 50,000. The amount of scratching in the election for municipal officers renders it impossible to make a close estimate of the result at this hour—11 P. M.—but the following is given as approximation: Democratic conservative ticket 13,000, citizens' conservative, 10,000, Nationals 5,000, tax payers 1,000.

NEW ORLEANS, Nov. 6.—The Democrats claim three-fourths of the legislature. Specials to the *Democrat* from eleven parishes outside of New Orleans show 12,000 Democratic gains. Democrats claim the election of the entire congressional delegation.

**Acklin Said to be Beaten.**

NEW ORLEANS Nov. 6.—Nationals and Republicans claim the election of Hebert for congress in the 3d district over Acklin.

**Arkansas.**

LITTLE ROCK, Nov. 6.—The falling off in the vote of this city is nearly 1,000 since the election two months ago. Rice, Greenbacker, has 507 majority in this county. Pulaski will go for Rice by over 1,000 majority. General apathy prevails throughout the state. The general impression is that Cravens (Dem.) is elected in the 1st, the 3d district, but by a greatly reduced majority. Democrats are confident of the election of the Democratic candidates in other districts.

**Michigan.**

DETROIT, Nov. 6.—Returns from 177 towns give Crosswell, (Rep.) for governor, 22,648; Barnes, (Dem.) 13,241; Smith, National 14,490. In every district so far as heard from the Republicans are ahead in the congressional race, having a plurality in all but hardly a clear majority in any district. These figures, if they hold out, will make a Republican gain of one. Pluralities range from 50 to 1,700.

**Heavy Republican Majorities in Chicago.**

CHICAGO, Nov. 6.—The straight Republican county and congressional tickets are elected here by unusual majorities.

**Minnesota.**

ST. PAUL, Nov. 6.—The contest is very close in the 2d district between Washburne, Rep., and Donnelly, Democrat and Greenbacker. Other congressional districts are probably Republican, and the legislature is undoubtedly Republican. Greenbackers make a poor showing.

MINNEAPOLIS, Nov. 6.—Republicans at last accounts estimate Washburn (Rep.) has 3,500 majority in this district.

**Wisconsin.**

MILWAUKEE, Nov. 6.—Milwaukee city and county, with one township to hear from, give Frisby (Rep.) for congress, 1,200 majority over Deuster (Dem.), a Republican gain of 3,500 over the vote of 1876. Republicans elect the whole county ticket, with possible exception of coroner. Returns from the interior come in slowly. Gains and losses are about equally divided. Republican gains in the eight districts of the state, so far as heard from, are over 8,000 over presidential vote for 1876. Returns indicate the following result on congressmen: 1st district, Williams (Rep.) re-elected by a slightly increased majority; 2d district, Caswell (Rep.) elected by increased majority; 3d and 4th districts in doubt; 5th, Bogg (Dem.) re-elected by a diminished majority; 6th, Bouck (Dem.) re-elected by increased majority; 7th, Humphrey (Rep.) re-elected; 8th, Pound, (Rep.) re-elected by increased majority. Republicans gain 12 assemblymen and 2 senators and will have a good majority on joint ballot. Milwaukee county elects the entire Republican ticket for the first time.

**Kentucky.**

LOUISVILLE, Nov. 6.—In the Louisville district Albert S. Willis was re-elected over John Watts, Kearney (Dem.) and Horace Scott (Rep.) by a small majority. In all other districts Democrats will be returned unless it is in the 8th district where the result is doubtful.

**Tennessee.**

MEMPHIS, Nov. 6.—Casey Young (Independent, Democrat) carries the city by 600 over Randolph (Republican) and Keller (Greenback). Young is doubtless elected. Money is elected from the 3d Mississippi district; no opposition.

KNOXVILLE, Nov. 6.—Returns show that Taylor (Dem.) in the 1st district is elected over Pettebone (Rep.), and Houk (Rep.) over Watkins (Ind.) in the 2d district.

**Missouri.**

ST. LOUIS, Nov. 6.—There seems to be no doubt of the election of Frost (Dem.) in the 3d district. Cole (Rep.) is so close to Wells (Dem.) that Republicans are claiming his election. Returns from 1st district are very meagre, but there is no doubt of the election of Clardy (Dem.). If Wells carries the second district the Democrats will gain three congressmen from this city.

**Nebraska.**

LINCOLN, Nov. 6.—Returns are slow. Republican state ticket elected by 3,000 to 16,000 majority.

LINCOLN, Nov. 6.—Additional returns from all parts of the state continue to increase Republican majorities over estimates made last night. The entire Republican state and congressional ticket is elected by over 10,000 majority. Republicans have a large majority in the legislature. The Greenback vote was much lighter than anticipated, and they have carried but one county so far as heard from.

**Kansas.**

ST. LOUIS, Nov. 6.—Meagre returns from Kansas show a Republican majority on the state ticket.

### LATEST ELECTION RETURNS.

**Massachusetts.**

BOSTON, Nov. 6.—The result of yesterday's vote for governor in 336 towns foots up—Talbot, 134,108; Butler, 103,321; Abbott, 9,803; Miner, 1,967. Talbot carries every district in the state by a handsome majority, except two Boston districts. Eight towns to hear from will carry Talbot's plurality up to 26,000 over Butler. The result in the 6th congressional district is still in doubt.

**New Hampshire.**

CONCORD, Nov. 6.—166 cities and towns give Head 32,907, McKean 25,457, Brown 5,368, scattering 105. Head's majority is 1,979. The house, as returned, stands 138 Republicans, 75 Democrats, 7 Greenbackers; senate, 16 Republicans, 6 Democrats. Two districts are in doubt.

**New York.**

ALBANY, N. Y., Nov. 6.—The *Journal* claims the election of 93 Republicans, 30 Democrats, two Independent Democrats and three Nationals to the assembly.

POUGHKEEPSIE, N. Y., Nov. 6.—Ketcham's (Rep.) majority for congress, 13th district, is 3,636, the largest ever given in the district.

NEW YORK, Nov. 6.—Tammany elects 9 of 22 aldermen. This changes the board of apportionment and gives anti-Tammany and Republican members power to confirm Cooper's nominations. The Brooklyn board of aldermen is Republican by a majority of 9. A special to the Brooklyn *Eagle*, from Albany, says: Danforth, (Rep.), for judge of the court of appeals, is likely to have a majority exceeding 15,000.

**Victory and Death.**

NEW YORK, Nov. 6.—Alexander Smith, of Yonkers, N. Y., died yesterday while the vote which elected him to congress was being counted.

**Pennsylvania.**

PHILADELPHIA, Nov. 6.—Later returns from the interior of the state show large Republican gains, indicating that Hoyt's majority may reach 30,000.

PHILADELPHIA, Nov. 6.—This county gave Hoyt (Rep.) 15,559 majority, making his total majority in the state 21,000.

The total vote of the city gives Hoyt (Rep.) 79,380; Dill (Dem.), 53,782; Mason (Nat.), 3,158; Lane (Prohib.), 146. The state legislature will be Republican by about the same majority as the last legislature. The probabilities are that the congressional delegation will stand unchanged—17 Republicans and 10 Democrats. Stenger (Dem.) is probably defeated in the 18th district, but the Democrats appear to have gained Croftroth in the 17th.

**Illinois.**

CHICAGO, Nov. 6.—Returns from Illinois, as far as heard from, give Smith (Rep.), for state treasurer, 54,498; Cronkrile (Dem.), 35,502; Bates (Greenbacker), 14,737.

CHICAGO, Nov. 6.—Returns from the 13th congressional district make it pretty certain that Tipton (Rep.) is defeated by Stevenson (Greenb. and Dem.) by over 500 majority. Nothing definite yet from the 18th district, but both parties claim it. The indications are that the Republicans have a fair working majority in the state legislature, though the Democrats do not concede it.

**Missouri.**

ST. LOUIS, Nov. 6.—The Democratic state ticket average plurality, 2,700. In the 2d congressional district, Wells (Dem.), has a plurality over Cole (Rep.), present incumbent, about 1,600. In the 3d district Frost (Dem.), has a plurality over Metcalf (Rep.), present incumbent, about 1,500.

KANSAS CITY, Nov. 6.—The congressional contest is very close in the 5th district. From the best information at hand, Democrats claim the election of Creep by 300 to 500, while the friends of Sawyer (Ind. Dem.), claim his election by a small majority.

ST. LOUIS, Nov. 6.—The probabilities are that the Democrats will elect a full delegation to congress, their gain will be three members in St. Louis and one in the 10th district.

**Minnesota.**

ST. PAUL, Nov. 6.—Republicans claim that Washburne's majority in the 3d district is at least 3,000. Democrats, who this morning conceded the election of Washburne, now claim that Donnelly is elected by a small majority. Strath (Rep.), is elected in the 2d district, and Dunnell in the 1st. Returns are too meagre for estimate on the legislature.

**Michigan.**

DETROIT, Nov. 6.—From present indications the Republicans have elected the entire congressional delegation from this state, which is a gain of one congressman. In the 1st district, Newburg (Rep.), is elected by a plurality of 1,028. The legislature will be strongly Republican. Four hundred and fifty towns and precincts heard from give Crosswell a plurality of 24,000.

DETROIT, Nov. 6.—Incomplete returns from the various congressional districts give the following Republican pluralities: Newberry, 1st district, 1,422; Willetts, 2d, 4,978; McGoward, 3d, 1,594; Burrows, 4th, 3,515; Stone, 5th, 9,230; Brewer, 6th, 1,976; Conger, 7th, 884; Horr, 8th, 594; Hubbell, 9th, 4,225.

**Georgia**

SAVANNAH, Nov. 6.—Nichols' majority in the first congressional district is estimated at 3,500.

**Wisconsin.**

MILWAUKEE, Nov. 6.—Full returns from the 4th congressional district give Deuster (Dem.) 157 majority.

**Virginia.**

NORFOLK, Nov. 6.—Goode (Dem.), is re-elected to congress by 1,000 majority.

### WASHINGTON TERRITORY.

WHATCOM COUNTY.

LACONNER, Nov. 6.—LaConnor precinct gives Caton 23 majority; constitution 63 majority. Mount Vernon precinct gives Caton 18 majority; constitution, 64 majority.

SKAGIT CITY, Nov. 6.—Skagit City gives Brents 40 majority; for constitution 27 majority.

Fidalgo, Whatcom county gives Brents 32 majority; constitution, full vote 46.

LACONNER, Nov. 6.—Brents has 15 majority in Ferndale, Whatcom county. No constitution reported.

## THE FISHING INTEREST.

The letter on the fishery question, written by Secretary Evarts to Lord Salisbury, which has drawn out the grambling comments of the British press, is based mainly on one complaint which, when extricated from the secretary's involved periods may be stated thus: The British government has sold us at an enormous price the privilege of fishing on the banks of Newfoundland, and yet allows that province through its local legislature to make the privilege valueless. The international commission awarded to Great Britain the sum of $5,500,000, to be paid by the United States for the right of fishing within the three mile line from the shore, for the term of ten years. Objection has always been made to this sum by the United States, as an excessive one. Secretary Evarts in his letter summarizes the complaints presented by American fishermen who have been subjected to restrictions and charges under the legislative acts of Newfoundland, and directs our minister to say to Lord Salisbury that, "This government conceives that the fishery rights of the United States conceded by the treaty of Washington are to be exercised wholly free from the restraints and regulations of the statutes of Newfoundland, now set up over our fishermen, and from any other fishery regulation now in force, or that may hereafter be enacted by that government." This appears to be very reasonable; and the language, though plain and firm, is that of courtesy and moderation. The secretary adds that he cannot doubt that Lord Salisbury himself would agree that the insertion of any such element in the treaty of Washington would never have been accepted by his government. It is not easy to see why British journals should become so irritated over this letter and charge bad faith upon the United States in consequence of the positions therein assumed. The *Pall Mall Gazette* certainly drives very wide of the mark when it intimates that this position is taken by our government just at this time because Great Britain's relations with other countries are now in a critical posture, and we are therefore unfairly pressing an advantage. Perhaps this suggestion springs from a lingering consciousness in the English mind that not very many years ago when the government of the United States was involved in immense difficulties Great Britain took the opportunity to deal very ungenerously with us. The government of that country does not need to be taught that "nations generally are no more inclined to forego their advantages over one another in the nineteenth century than they were in the eighteenth, sixteenth or first." For centuries Great Britain has acted steadily on this principle; and it accounts in no small degree for the world-wide possessions she has ranged under the name of the British Empire.

## THE ELECTIONS.

The tide which has been running against the Republican party appears to be arrested, or greatly checked. That party has done better in recent elections than at any time since 1874. With the prestige now gained it can go into the presidential contest with vigor and hope. Its fortune is due mainly to the simple fact that it has taken a courageous and unequivocal position on financial questions, and has shown that it is more entitled to the confidence of the country on this main issue than any other political organization. We count up a gain of about a dozen members of congress in the northern states, which is partially offset by the loss of a few southern districts now represented by Republicans. The Republican party has shown in these elections that it possesses a vigor which will make it formidable in the presidential contest of 1880. A Democratic victory in that coming contest is not a forgone conclusion as many have affected to believe. On the financial issue the Republican party will now and hereafter be entirely sound and united. So far has the Democratic party weakly yielded to the fiat craze that it is by no means certain that it could now carry a single northern state. As for the south, it is Democratic still—solidly so. Probably it will continue Democratic for years to come; for it is still voting on the issues and memories of the war. The misfortunes of sectional political divisions are great and apparent. But so long as the south is organized to wield all its political influence and power on one side the tendency will be to produce corresponding unity of action in the north on the other. Thus a solid south becomes a potent argument for a solid north. Unfortunately the next contest will partake largely of this sectional description. Every southern state will surely be Democratic, and this fact will be a most powerful influence toward making every northern state Republican.

---

George Thompson, the illustrious English philanthropist, for forty years one of the world's most conspicuous champions of oppressed humanity, died recently in Liverpool, aged seventy five. He bore a leading part in bringing about the emancipation of slaves in the British colonies, and was conspicuous by his efforts in behalf of American emancipation. Brougham declared him to be the most eloquent pleader to whom he ever listened. Mr. Thompson came to America toward the close of our civil war, and was invited to witness the restoration of the national flag upon Fort Sumter. His efforts in England were untiring during the whole struggle, and did much to form a public opinion in that country which prevented the British cabinet from recognizing the independence of the southern confederacy.

The London *Times* makes a rather gloomy review of the state of trade in England. It admits that the outlook is very dark, and that, in spite of successive reductions in the rate of wages and in the price of raw material, their manufactures seem to be losing their hold on the foreign markets, and finds, "that the firms which have fought a losing battle against fate for four disastrous years with the help of the banks were encouraged to prolong the contest by the hope of better days that never came. At this moment there are, it may almost be said, less signs than ever of their coming." America, so long a great customer of England, not only manufactures more for her own consumption than ever before, but is actually competing with England in many important lines in a great number of foreign markets.

---

The New York *Evening Post* announces that the new fashion of short dresses for ladies is coming in with a rush. This intelligence will be welcomed with a degree of rejoicing second only to that produced by the subsidence of the yellow fever and the ebb tide of the fiat money frenzy. No self respecting lady will now have a shadow of excuse for appearing upon the streets dragging the dirty pavements with her robes, or clutching the senseless train. The city of Paris kindly grants to the women of this country the blessed privilege of wearing raiment that will not violate every requirement of artistic beauty and utility, nor outrage that dainty sense of cleanliness which we are wont to associate with the idea of ladyhood. For which those interested may be truly thankful.

---

The general success which Republicans have met in recent elections includes also a triumph in Washington territory. Brents is undoubtedly elected. He has not less than 500 majority in the western counties, and Walla Walla much increases it. Columbia county has probably gone for Caton, but only by a small majority. The remaining eastern counties are more likely to increase the majority for Brents than to diminish it. He is successful by 600 majority, pretty certainly; and the full returns may increase to 800.

---

After saying all that can be said on the subject of relieving the country from a curse of a great railroad monopoly between the Mississippi and the Pacific, the St. Louis *Republican* concludes that "nothing but the completion of the Northern Pacific through the rich grain belt of the northwest, and of the Texas Pacific through the farming lands of northern Texas and the rich mineral fields of southern New Mexico and Arizona, can satisfy the demands of the country."

---

Indiana is the only northern state that the Democrats carry this year, and they have that by a plurality, not by a majority. In this statement we do not forget Oregon; for though the Democrats carried part of their ticket here, Oregon is not a Democratic state.

---

The result in Washington territory is an indication of what Oregon would have done last June had not Mitchell been in the way.

# DR. PAUL M. BRENAN.

**His Wonderful Success**

IN THE TREATMENT OF ALL

**Chronic and Difficult Diseases,**

**He has astonished the People of this Coast by his skillful Operations.**

HE HAS TAUGHT IN HIS

public and private lectures the true principles of health and life to both male and female. He has also warned them against habits that would be likely to produce disease, in plain and comprehensive language. But where he has found them crushed and broken down by disease mentally and physically, he has restored them to health and happiness for it is well understood that without health there can be no happiness

DR. BRENAN

has made a specialty in the treatment of the following diseases. Catarrh Bronchitis and all diseases of the throat and chest, by an entirely new system only known to himself, Diseases of the Kidneys and Urinary Organs including Spermatorrhea Seminal Weakness or premature loss of Manhood In the treatment of these diseases he has made a world wide reputation by his astonishing success not only on this Coast but throughout the whole United States, Diseases of the stomach bowels liver and kidneys as well as all diseases of the blood and skin he has become master of and never fails to give relief at once and permanently cures the case if he is applied to in time

THE DOCTOR HAS GIVEN SPECIAL LECTURES

to ladies only for years and is perfectly familiar with all female complaints and understands their delicate and refined organization as well as the proper remedies which should be used to allay their suffering and restore them to perfect health

THE DOCTOR HAS THIS ADVANTAGE

over most physicians—he can tell the patients' disease the moment he comes in contact with them without any aid from the individual. This accounts in part for his great professional success.

All surgical operations can be performed by his skillful hand and the patient need not fear the result.

DR. BRENAN

will send to those living at a distance and who can not well visit his office a list of Printed Questions and by the answers when filled out he can tell the disease as well as the proper treatment almost as well as seeing patient personally and will forward the proper medicines or instruments to any part of the country with full instructions and advice. Each letter requiring advice or list of questions, must contain two postage stamps

Everything strictly confidential and honorable.

THE DOCTOR

has studied in the best Medical Schools in Europe and three years in the Jefferson Medical College at Philadelphia as more than one of the Medical men of the Medical Faculty in this State can testify

CAUTION

Persons coming to Portland requiring medical treatment of the proper kind who desire to consult with me will please beware of persons who may try to coax them away to other so called Doctors through pretended friendship for the patients Look out for them they are knaves prompted by selfish motives and what they can make. Be sure and ask for DR PAUL M BRENAN, the *Medical Lecturer* and read his sign on his door
